

SYDNEY MPHO MANTSHO

Mobile: 082 303 4968, email: sydney@mintek.co.za

Dear Sir / Madam,

In response to your recent advertisement, please accept this letter and CV in application for the **Xxxxx** position, Ref: **yyyyyy**. My experience and academic qualifications align well with the job requirements and I am certain that I will make a valuable contribution to the organization in this position given the opportunity.

I am a highly skilled Chemical Engineer, with 14 years' working experience in advanced measurement and control. My expertise include evaluation of metallurgical processes (advanced process control of milling and flotation circuits), research and development, business development and people management. While my on-the-job experience has afforded me a well-rounded skill set, including first-rate relationship building and leadership abilities, I excel at:

- Providing thought leadership
- Planning and execution
- Marketing and commercialisation
- Developing strategies and ensuring goal attainment
- People management and attaining objective through team work
- Client interactions

In addition to my experience and personal qualities I have a passion for innovative solutions and technology development. Considering Mintek's objectives and the functions of this position, I would welcome the opportunity to contribute to the ongoing growth and success of the organisation.

Please review my attached CV for additional details regarding my expertise and career achievements.

Thank you for your time and consideration.

Sincerely,

 Sydney Mantsho
